Introducing....

Iowa Mortgage Association PAC

A political action committee for the members of the Iowa Mortgage Association for the benefit of the Iowa mortgage industry and Iowa mortgage professionals.

About the Iowa Mortgage Association PAC

Your investment in the Iowa Mortgage Association PAC helps give the mortgage industry a voice in the type of politicians that are elected. The purpose of the PAC is to raise funds for legislative candidates running for state legislature and statewide office. The IMA Board of Directors, IMA Legislative Committee, combined with input from mortgage professionals across that state, make decisions on disbursement of Iowa Mortgage Association PAC funds based on candidates responsiveness to mortgage industry issues.
